

Summer Work for French IV – 2020

Read the Little Prince (en français, bien sûr). You may get this on line, or you may buy it from a previous French IV student. You may also read it in English or even get a dual language book (French on one side, English on the other) to double check your comprehension, but you **MUST** read it in French to learn the vocabulary.

****Create a visual to go along with the Little Prince – a painting, a poster or 3 sided board.**

Enjoy reading “Le Petit Prince” par Antoine de Saint-Exupéry. It is full of symbolism and has some wonderful and meaningful quotes for all times.
